

# KELSEY

**WESTFALIA**  
*The iconic combi-van*

**Collection 2023**

Explorer and sailor Henry Kelsey\*, whose name Westfalia chose for this campervan, would have been astonished at the comfort, space and dynamic character of this model. And you may feel the same way, when you discover this new model created on a 5.34-metre Ford Custom base.

It boasts much more comfort than most campervan layouts, with a shower tray, standard feature hot water, heating while parked, fixed cassette toilet, kitchen with two gaz hob, and dual access with two sliding side doors by the lounge. All this plus warm, welcoming colours and a plethora of features make it one of the most popular models in the range.

## WHAT A JOY!

How wonderful to lie back on a comfortable bed after a day full of adventure and excitement! To ensure a good night's sleep, we have focused on providing maximum comfort by fitting our roof space beds with a Froli base. This bed system ensures good quality sleep thanks to its individual springs. Designed to last, this innovative system also allows excellent air circulation.

In terms of size, the Kelsey's mezzanine double bed measures 190 x 120 cm.

For the lower bed, the lounge's bench seat converts to another double bed, giving you space for a total of four people to sleep.

Refreshed after a good night's sleep, you can continue your adventure.

The 'swan-neck' reading lights let you enjoy a good book before falling asleep.

# FORD CHASSIS

The Ford chassis is known for its driving comfort and high spec equipment.

# EVEN MORE COMFORT WITH ACCESSORIES

Contact your local dealership for information on all the Westfalia accessories and available options.

The roof insulation kit provides a superior level of comfort during cool nights and sunny days.

You can sleep easy with these mosquito nets, which are simple to install on the side door or tailgate.

Essential: the Outdoor kit includes one table with four folding, height-adjustable legs. The table is stored in the sliding door for the Kepler and the tailgate for the Kelsey. The two folding chairs take up minimal space and are stored in a bag.

The awning and Outdoor kit are available for all our models.
